

## US Capital Celebrates Grand Opening of Its Philadelphia Office at the Union League of Philadelphia

*Global private financial group for the middle market celebrates the opening of its Philadelphia office with a cocktail reception sponsored by Waterotor Energy Technologies Inc. and Kotlar, Hernandez & Cohen, LLC.*

SAN FRANCISCO, OCTOBER 2022 – **US Capital** recently held a large, well-attended cocktail launch reception at the Union League of Philadelphia to celebrate the opening of its new Philadelphia office, as the group expands its presence in the Northeastern United States and Canada. Founded in 1862, the Union League is ranked the #1 City Club in the Country for a fifth consecutive time and has hosted U.S. presidents, heads of state, industrialists, and dignitaries from around the globe.

With principal offices in San Francisco, Dallas, Miami, London, Milan, Zurich, and Dubai, US Capital is a full-service global private financial group with an established track record in corporate finance, asset management, and capital formation services. All private placements, securities, and other related services are offered by the group's FINRA-member broker-dealer affiliate, **US Capital Global Securities LLC**.

US Capital's cocktail reception at the Union League was proudly sponsored by **Waterotor Energy Technologies, Inc.** ("Waterotor") and the law firm **Kotlar, Hernandez & Cohen, LLC** ("KHC"). Waterotor, an innovative Canadian clean-tech company that provides low-cost renewable electricity harnessed from slow-moving water. Waterotor's breakthrough patented, economically disruptive, clean technology converts moving currents in rivers, canals, oceans, and tidal flows into 24/7 on- and off-grid renewable energy. KHC is a full-service law firm located in Mt. Laurel, New Jersey, that represents companies at the forefront of technology in their respective industries.

"We are very thankful to Waterotor for co-sponsoring this highly successful launch event," said Charles Towle, COO and Managing Partner at US Capital. "The Biden-Harris Administration has expressed a **strong commitment to creating cleaner and cheaper energy**, with seven federal agencies announcing clean energy projects and plans earlier this year. Waterotor is leading the way in clean energy and in energy-independence through ground-breaking technology that can harness enormous amounts of clean energy without interruption, at a low price point. We also greatly appreciate the sponsorship of our launch event by the KHL law firm and the entrepreneurs it represents who attended our dynamic reception."

"We would like to warmly thank everyone who attended our launch event last month at the Union League," said Mitchell Cohen, Senior Vice President and Partner, who heads the group's Philadelphia office. "Our new office in Philadelphia is ideally located for expanding US Capital's business in the Northeastern United States and Canada. The city itself and surrounding area have a long history of excellence in R&D, industry, public-private partnerships with their dynamic educational institutions, and commercial production, with an emphasis on bio-tech and bio-med, clean tech, and green energy. We look forward to supporting these thriving markets through our deep expertise and experience in middle market finance."
