

US Capital Expands London Office with Appointment of Senior Vice President William Hunt

Leading global private financial group for the middle market appoints new Senior Vice President to expand its regional headquarters in London.

SAN FRANCISCO, MAY 2022 – **US Capital** is pleased to announce that William Hunt has joined the group as Senior Vice President at the group's regional headquarters in London, established in 2020. Mr. Hunt brings a wide experience in financial services to US Capital, with a special focus on real estate, cryptocurrencies, green energy, and clean tech. He provides clients with a full range of financial services, including corporate finance, asset management, real estate finance, M&A, and advisory services.

Headquartered in San Francisco with main offices in Las Vegas, Miami, London, and Milan, US Capital is a full-service private financial group with an established track record in corporate finance, asset management, and capital formation services. All private placements, securities, and other related services are offered by the group's FINRA-member broker-dealer affiliate, **US Capital Global Securities LLC**.

Newly appointed Senior Vice President Hunt has over 10 years' experience within international markets, predominantly in commercial real estate development, debt and equity financing, and capital formation. He works with emerging technology companies with a focus on delivering growth, building capacity, and strategic planning with culture change efficiency.

"I'm delighted to be joining US Capital at this exciting time in the group's international expansion," said Mr. Hunt. "US Capital has developed a strong reputation for being at the forefront of FinTech innovation and for backing ESG and green companies and projects. I look forward to contributing my own expertise in green and clean-tech start-ups to US Capital's rapidly expanding presence in the ESG sector, both in the UK and abroad."

"We're very pleased to welcome William to the US Capital team as we expand our London office," said **Charles Towle**, COO and Managing Partner at US Capital. "With his experience in cryptocurrency, financial services, and cutting-edge, breakthrough tech companies, William is ideally positioned to help us expand our presence in London, a city recently described in **Time Magazine** as 'the beating heart of the tech-forward financial world'. The growth of FinTech in London is, of course, strongly supported by City's supportive regulatory environment and in the first half of last year alone UK tech companies raised \$18 billion worth of venture capital financing. We look forward to working with William as US Capital continues to lead the way in the global FinTech market."
