

## US Capital Global Acquires TC Capital Advisors; Jullion Taylor Named Partner and Managing Director

*With this strategic acquisition, US Capital Global unveils its Micro-Cap Program, offering smaller businesses customized financing and strategic support across debt, equity, and M&A.*

SAN FRANCISCO, SEPTEMBER 2025 – **US Capital Global** is pleased to announce the acquisition of TC Capital Advisors LLC, a premier business consulting and advisory firm founded in 2012. As part of the acquisition, **Jullion Taylor**, Founder and Managing Director of TC Capital Advisors, has been appointed Partner and Managing Director at US Capital Global.

Headquartered in San Francisco, with additional offices in New York, Philadelphia, Miami, London, Milan, Zurich, and Dubai, US Capital Global is a leading global private financial group specializing in corporate finance, asset management, and capital formation for the middle market.

Based in Miami, TC Capital Advisors has completed more than 200 transactions across North and South America, Europe, Canada, Africa, and the Caribbean. The firm specializes in business funding, investment and real estate financing, and M&A, and brings to US Capital Global a robust active network of brokers and referral partners.

This strategic acquisition launches US Capital Global's Micro-Cap Program, a dedicated vertical designed to support small and family-owned businesses with customized financing solutions and strategic growth support. The program provides flexible financing of up to \$5 million across debt, equity, and M&A transactions for companies in all industries.

"I am delighted to welcome Jullion as a Partner and Managing Director at US Capital Global," said **Charles Towle**, COO and Managing Partner at US Capital Global. "Through this acquisition, Jullion will lead the expansion of our broker network worldwide. In 2026, we plan to host a global broker convention in Las Vegas or Miami, bringing together thousands of professionals—including accountants, attorneys, and financial advisors—from our growing network. We also offer strong incentives for brokers and referral partners, with up to 50% of corporate finance and success fees."

"I am pleased to join US Capital Global as a Partner and to contribute to the firm's global growth strategy," said Jullion Taylor. "This partnership enables us to broaden our offerings to businesses of all sizes. Through the Micro-Cap Program, we provide small and family-owned enterprises with tailored financing solutions, while continuing to deliver sophisticated capital and strategic advisory services to the middle market."
