

# US Capital Global Drives Growth in Healthcare and Technology Financing with Appointment of Industry Veteran Colleen Gray

*Global private financial group for the middle market appoints new Senior Vice President to expand its healthcare and technology financing divisions at global headquarters in San Francisco.*

SAN FRANCISCO, NOVEMBER 2023 – **US Capital Global** is pleased to announce that Colleen Gray has joined the group as Senior Vice President at the group's headquarters in San Francisco, CA. Ms. Gray has over 25 years of operations and financial management experience with emerging, high-growth companies in the healthcare and technology industries. She served as the President and Chief Executive Officer of Consensus Orthopedics, a global manufacturer of large-joint orthopedic devices, from 2004 until 2021.

Headquartered in San Francisco with principal offices in Dallas, Philadelphia, Miami, New York, London, Milan, Zurich, and Dubai, US Capital Global is a full-service global private financial group with an established track record in corporate finance, asset management, and capital formation services. All private placements, securities, and other related services are offered by the group's FINRA-member broker-dealer affiliate, **US Capital Global Securities LLC**.

"We are thrilled to welcome Colleen to our team," said **Charles Towle**, COO and Managing Partner at US Capital Global. "Colleen has a long and distinguished career in the healthcare and technology industries, having served as the President and CEO of Consensus Orthopedics, CEO of Tracpatch Health, President and CEO of Solid Data Systems, and co-founder and CFO of StorageWay, Inc., one of the first cloud-based storage service providers. Healthcare and technology are key verticals at US Capital Global, and we are fortunate to have Colleen on board to help us expand our reach in these verticals."

"I am excited to be part of US Capital Global's dynamic team and am eager to contribute to its continued growth and success," said Ms. Gray. "The group's reputation for delivering comprehensive financial services and its commitment to client satisfaction align with my own professional values. With my extensive experience in technology, healthcare, and financial management, I look forward to contributing to the group's mission and strengthening its position in the market."

During her tenure at Consensus Orthopedics, Ms. Gray led the development of five new product lines, navigated the FDA regulatory approval process, and increased revenue fivefold. Consensus became a leader in the patient monitoring device market with its medical-grade interactive surface sensor products through its Tracpatch Health Division. As CEO of Tracpatch Health, Ms. Gray led a raise of over \$27 million in early-round financing and closed commercial agreements with two large hospital systems. This led to the successful sale of TracPatch Health in August 2023.
