

## US Capital Global Expands Strategic Finance Team with Matthew M. Jensen as Vice President in Los Angeles and Newport Beach

*Experienced investment and structured finance executive joins leading private financial group to support national expansion and middle-market growth.*

SAN FRANCISCO, AUGUST 2025 – **US Capital Global** is pleased to announce the appointment of **Matthew M. Jensen** as Vice President at the group's Los Angeles and Newport Beach offices. Mr. Jensen will spearhead strategic initiatives focused on delivering customized financial solutions, including M&A advisory, debt and equity financing, and wealth and asset management services for clients nationwide.

Headquartered in San Francisco with a global presence in major financial hubs such as Philadelphia, Miami, New York, London, Milan, Zurich, and Dubai, US Capital Global is a leading full-service private financial group specializing in corporate finance, asset management, and capital formation for the middle market.

Mr. Jensen is a seasoned financial professional with over 20 years of expertise across wealth management, private real estate, structured finance, investment banking, family office services, asset management, and private equity funds. He began his career at UBS, where he developed a deep understanding of complex financial strategies and honed his skills in managing portfolios for high-net-worth individuals and institutional clients.

"US Capital Global is widely recognized for its thoughtful, client-centered approach to investment and structured finance,"

said Mr. Jensen. "I'm honored to join the team and to support its mission of guiding clients through complex transactions with expertise and care."

"We are delighted to welcome Matthew to US Capital Global," said **Charles Towle**, COO and Managing Partner at US Capital Global. "His comprehensive background in private equity, real estate, and structured finance enables him to identify and capitalize on unique investment opportunities, providing clients with innovative solutions for wealth preservation and growth. He is a strong addition to our team as we continue scaling our middle-market platform."

Throughout his career, Mr. Jensen has worked with multi-family offices in Los Angeles and Orange County, California. In these roles, he gained specialized expertise in private real estate investments, structured finance, and customized asset management solutions. His ability to integrate sophisticated financial strategies with a personalized approach has made him a trusted advisor to ultra-high-net-worth individuals and institutional investors alike.

### **About US Capital Global**

Founded in 1998, US Capital Global offers a range of advanced financial solutions, including debt, equity, and investment products customized for middle-market enterprises and investors.
