

US Capital Global Increases Bridge Finance Solutions for Middle Market Businesses

Private financial group offers strong interim lending support to underserved businesses, through swift and timely bridge loans customized to specification.

SAN FRANCISCO, MARCH 2023 – **US Capital Global** announced today that it has further expanded its range of custom bridge finance solutions for middle market businesses. Headquartered in San Francisco with primary offices in Dallas, Philadelphia, Miami, London, Milan, Zurich, and Dubai, US Capital Global is a full-service global private financial group with an established track record in corporate finance, asset management, and capital formation services.

“US Capital Global has a history of success when it comes to offering clients reliable and timely commercial bridge loans,” said **Jeffrey Sweeney**, Chairman and CEO at US Capital Global. “Bridge loans generally fund in 1–3 weeks, which is a lot sooner than other types of financing, making them appealing for businesses waiting for more traditional financing or looking to take immediate advantage of an attractive commercial opportunity. At US Capital Global we now provide bridge loan amounts up to \$100 million for middle market businesses with assets.”

Bridge Loan Criteria at US Capital Global

- Loan size: \$5,000,000 to \$100,000,000
- Lending area: National and international
- Collateral: All assets
- Amortization: Interest only
- LTV: Up to 90% or advance on eligible revenue model and/or assets
- Closing time: 5 to 20 days
