

US Capital Global Securities Announces \$30MM Investment Opportunity in Next-Generation Tendon Repair Technology

Explore an exclusive investment opportunity in CoNextions Medical, a pioneering medical device company specializing in innovative solutions for tendon repair.

SAN FRANCISCO, AUGUST 2024 – US Capital Global Securities LLC, an SEC-registered affiliate of renowned global financial group **US Capital Global**, is pleased to present eligible investors with a unique investment opportunity to participate in an investment round of up to \$30 million for CoNextions Medical (“CoNextions” or the “Company”).

Based in Salt Lake City, UT, CoNextions specializes in developing innovative tendon repair solutions that surpass traditional suture methods. Their flagship products, the CoNextions TR® Tendon Repair System and Coronet® Soft Tissue Fixation System, provide enhanced strength, faster recovery, and reduced complications for tendon-to-tendon and tendon-to-bone attachments.

“We are thrilled to see our CoNextions TR® and Coronet® systems gaining traction in the market,” said **Daniel Gruppo**, President and CEO of CoNextions, who has 25 years of experience in the medical device industry. “The TR® device has demonstrated strong commercial performance with a high retention percentage. With FDA clearances and robust market adoption and demand, CoNextions is well-positioned for significant growth, making this an exciting moment for potential investors to join us in transforming patient care.”
